

# Results format

To ensure you receive your laboratory results from us in the format you require, please complete the form below so we can update our laboratory information system and get this sorted for you.

## 1. Clinic details:

<b>Veterinary clinic:</b>	_____	<b>Contact person:</b>	_____
<b>Lab results email:</b>	_____	<b>Admin email:</b>	_____
<b>Clinic software:</b>	_____	(if required)	_____

## 2. Current veterinary staff:

Please confirm current veterinarians in clinic, additional email addresses (if required) and select all reporting options required (✓):

Veterinarian name:	Additional email address:	PDF email	*Txt embed	*Txt attach	RxWorks PDF	CSV file

\* The txt report is generally only used for uploading into your practice management software (PMS) and the type of PMS you have will dictate whether it needs to be attached to or embedded in email.

- Vetlink and Vision generally require txt embedded in the email.
- EzyVet requires txt embedded in the email.
- RxWorks requires a specific, labelled PDF.
